Hi Andrea -

Attached are the word and pdf versions of the 2008 Response to Comments document. After you review this format, take a look at the format Illinois uses. See, for example, [http://yosemite.epa.gov/r5/in_permt.nsf/91890e7b650daf8f8625763f00504d0d/264873e75a283f2286257b2e006a907e/\\$FILE/USSteelResponsivenessSummary%20090903.pdf](http://yosemite.epa.gov/r5/in_permt.nsf/91890e7b650daf8f8625763f00504d0d/264873e75a283f2286257b2e006a907e/$FILE/USSteelResponsivenessSummary%20090903.pdf). I would like to have something more aligned with Illinois' than the 2008 version. Thoughts?

Please, if you need to work on other pressing projects, don't spend much time on this.

Thanks for your help.

David

David,

If you have an electronic copy of the previous response to comments for Veolia could you please send it to me? I haven't been able to find it online.

Thanks,
Andrea
